Painting Pictures

Verse

The sun is setting on my back ON MY BACK
As I run from the problems
I just can't face today
Just can't face today
Overwhelmed I'm so distraught
I'm left reaching for the faith FOR THE FAITH
I felt so strong
Just yesterday
Just yesterday
I'm painting a picture of a world
Where no one has to struggle
And everyone gets along
Judged by our hearts
Judged by our minds
AND WHAT WE ARE
But the rain always come to wash the paint away
Reminding us that sometimes in life WE ALL BLEED
