

Hold On to My Love

Leo Sayer

Hello Western Union
Wont you listen to me man?
Had no time to say good-bye
So take this telegram While Im gone
Shes gotta hold on to my love
While Im gone
Shes gotta hold on to my love It breaks my heart to leave her
But Im working with this band
We've got one chance to make it now
Please make her understand that While Im gone
Shes gotta hold on to my love
While Im gone
Shes gotta hold on to my love
Dont give it away Oh yeah, uhh huh So come on operator
And get my message through
She dont need to write me every day
All shes gotta do is Hold on
Hold on to my love
While Im gone
Shes gotta hold on to my love
Dont let it slip away Hold on
Hold on to my love
Hold on
Hold on to my love Hold on
Hold on to my love
Hold on
