How Low

A Love Like Pi

Am I like a bad dream?
Did I make you feel?
Oh, like you were the ghost than, I was you.
Was I real?

And am I like your last dream?
Am I still the same?
Oh, something in your eyes said, that I changed.

(Chorus)
How low? x4
Oh.

Am I one of Godâ€™s dreams?
Heâ€™s having of himself.
Oh, am I a reflection, of someone else?
Someone else.

And am I just a sad dream?
Am I calling in the dark?
Oh, slowly fade away the days when weâ€™re apart.

(Chorus)
How Low? x4
Oh.

But did you even notice me?
In the back, in the background.
Are you missing me so easily?
Iâ€™m calling out.

(Chorus)
How Low? x12
Oh.

Am I like a bad dream?
Did I make you feel?
Oh, like I was a ghost than, you were real.
