Alguien Real (baby, I'm In Love)

Thalia

No one else can ever
No one else can ever
No one else can ever
Yeah, uh
Yeah, uh
What did I do to deserve such a man?
So special in my life, so many days and nights
I get on the go while I sit and wait for mister right
Baby, then came you
Laid back with your sexy smile
When you move your body, you just drive me wild
If you're feeling me, baby, tell me now
Because I want you, I want you
Baby, no one else can ever want you like I do
I'm feelin' love in the deepest fall
Give you the keys and all
You even when helped me when the beef was on
Tell me what you feel
'Cause I'm feeling something real
I feel the same way, you make the don say
Girl, I want you, girl, I need you
Can't you see?
How this love affair would be good for you and me
'Cause baby, I swear no other man can do
The things that you do when you love me
Oh, baby, you're my lifetime fantasy
So smooth, love the way you walk
I just love to hear when you talk your talk
So if you're feeling me, baby, let me know
Because I want you, I want you
Baby, no one else can ever want you like I do

I'm feelin' love in the deepest fall
Give you the keys and all
You even when helped me when the beef was on
Tell me what you feel
'Cause I'm feeling something real
I feel the same way, you make the don say
Girl, I want you, girl, I need you, babe

Slow down, love
Don't you see me with my girl, what you thinkin' it was
I know you're used to seein' me in the clubs
Different chicks, sippin' cris, just a million in dubs
But I've changed, only got eyes for her
Believe me, ain't no girl dividin' us
We could maybe elope, have a baby and all
'Cause I don't wanna be a player no more
Baby, no one else can ever want you like I do
I feel the same way, you make the don say
Girl, I want you, girl, I need you
Tell me what you feel
'Cause I'm feeling something real
I feel the same way, you make the don say
Girl, I want you, girl, I need you
Baby, no one else can ever want you like I do
I feel the same way, you make the don say
Girl, I want you, girl, I need you
Tell me what you feel
'Cause I'm feeling something real
I feel the same way, you make the don say
Girl, I want you, girl, I need you
Baby, baby, baby, baby
Baby, baby, baby, baby
