

Alguien Real (baby, I'm In Love)

Thalia

No one else can ever

No one else can ever

No one else can ever

Yeah, uh

Yeah, uh

What did I do to deserve such a man?

So special in my life, so many days and nights

I get on the go while I sit and wait for mister right

Baby, then came you

Laid back with your sexy smile

When you move your body, you just drive me wild

If you're feeling me, baby, tell me now

Because I want you, I want you

Baby, no one else can ever want you like I do

I'm feelin' love in the deepest fall

Give you the keys and all

You even when helped me when the beef was on

Tell me what you feel

'Cause I'm feeling something real

I feel the same way, you make the don say

Girl, I want you, girl, I need you

Can't you see?

How this love affair would be good for you and me

'Cause baby, I swear no other man can do

The things that you do when you love me

Oh, baby, you're my lifetime fantasy

So smooth, love the way you walk

I just love to hear when you talk your talk

So if you're feeling me, baby, let me know

Because I want you, I want you

Baby, no one else can ever want you like I do

I'm feelin' love in the deepest fall

Give you the keys and all

You even when helped me when the beef was on

Tell me what you feel

'Cause I'm feeling something real

I feel the same way, you make the don say

Girl, I want you, girl, I need you, babe

Slow down, love
Don't you see me with my girl, what you thinkin' it was
I know you're used to seein' me in the clubs
Different chicks, sippin' cris, just a million in dubs
But I've changed, only got eyes for her
Believe me, ain't no girl dividin' us
We could maybe elope, have a baby and all
'Cause I don't wanna be a player no more
Baby, no one else can ever want you like I do
I feel the same way, you make the don say
Girl, I want you, girl, I need you
Tell me what you feel
'Cause I'm feeling something real
I feel the same way, you make the don say
Girl, I want you, girl, I need you
Baby, no one else can ever want you like I do
I feel the same way, you make the don say
Girl, I want you, girl, I need you
Tell me what you feel
'Cause I'm feeling something real
I feel the same way, you make the don say
Girl, I want you, girl, I need you
Baby, baby, baby, baby
Baby, baby, baby, baby
