

# As Far As I Can Tell

Keith Greeninger

As far as I can tell  
We're near the end  
I know the feeling well  
So don't pretend  
Another night alone  
You're in my dreams  
Say it isn't so  
And never leave  
Oh, why did I have to let you go?  
I'll try to tell myself  
In time I'll fall in love with someone else  
This heart of mine, I know it well  
It won't stay broken forever  
In time I'll pull myself together  
I'll be alright as far as I can tell  
As far as I can see  
There's no where left to turn  
We're never gonna be the way we were  
Oh, why did I let you lead me on?  
You lied, you broke my heart  
You left me standing out here in the dark  
This heart of mine, I know it well  
It won't stay broken forever  
I don't need your arms to run to  
I can learn to live without you  
These eyes of mine, they finally see  
You never really cared for me  
I'll pull myself together  
I'll be alright as far as I can tell  
The saddest part of love is when you watch it walk away  
There's nothing you can do  
Just try to hold on and be strong  
Someone else will surely come along  
This heart of mine, I know it well  
It won't stay broken forever  
One day soon I'll feel much better  
Nothing ever lasts forever  
In time I'll pull myself together  
I'll be alright as far as I can tell
