

Have Yourself a Merry Little Christmas

[Susan Boyle](#)

Have yourself a merry little Christmas, let your heart be light
Next year all our troubles will be out of sight
Have yourself a merry little Christmas, make the yule-tide gay
Next year all our troubles will be miles away
Once again as in olden days
Happy golden days of yore
Faithful friends who are near to us
Will be dear to us once more
Someday soon, we all will be together, if the fates allow
Until then, we'll have to muddle through somehow
So have yourself a merry little Christmas now
