

Tomorrow (Radio Remix)

Lillix

Tomorrow's just another day
Another way
To spend my day
All by myself
Staring at the TV screen
Flipping through my magazine
Everything is unclear
I need you here do And I wake up
Put on my makeup
Pick up the phone
Nobody's home
I need to break out
Get me some takeout
Stand inside a crowd
I wanna scream aloud
I'll be OK
I'll be OK Walking down this winding road
Rainy days are all I know
I have hit the ground
Staring up into the sky
Counting all the reasons why
My mind is spinning around
I need to breath do So, I wake up
Put on my makeup
Pick up the phone
Nobody's home
And I need to break out
Give me some takeout
Stand inside a crowd
I wanna scream aloud
I'll be OK Get off from the floor
I just can't take no more
Leavin' it all behind
'Cause yesterday's gone Nah nah nah nah
Nah nah nah nah
Nah nah nah oh Oh, I wake up
Put on my makeup
Pick up the phone
Nobody's home

And I need to break out
Give me some takeout
Stand inside a crowd
I wanna scream aloud
I'll be OK
I'll be OK Oh, I wake up
Put on my makeup
Pick up the phone
Nobody's home
And I need to break out
Give me some takeout
Stand inside a crowd
I wanna scream aloud I need to break out!
We're OK we're alright
Alright, you're okay, it's okay,
You're all right, whoa,
We'll be alright,
We'll be alright Tomorrow's just another day
Another way
To spend my day
