

# Sacrificial Bonfire

XTC

Fire they cried  
So evil must die  
And yields are good  
So men pull back hoods and smile The scapegoat blood spilled  
Spittled and grilled  
It crackled and spat  
Children grew fat on the meat Change must be earnt Sacrificial bonfire  
Must burn Burn up the old  
Bring in the new  
Burn up the old  
Bring in the new Assembled on high  
Silhouette against the sky  
The smoke prayed and pranced  
And sparks did their dance in the wind Disguises wore thin  
With less and less skin  
And the clothes that were draped  
Was all that told man from ape Change must be earnt Sacrificial bonfire  
Must reign Reign over good  
Banish the bad  
Oh, reign over good  
Banish the bad, oh, ohh
