

# I Believe In You

## Johnnie Taylor

I feel sorry, I feel sorry  
I feel sorry, I feel sorryI feel sorry for any man out there  
When he can't look around  
And say, this is my woman  
My woman aloneI feel sorry, yeah  
For any woman out there  
Who can't say I got somebody  
That I can call my very ownI feel sorry, I feel sorry  
I feel sorry, I feel sorryOne thing I can say about the people of the world today  
They see you with a good thing  
They want to take it awayBut I believe in you, you believe in me too, yeah  
Even your best friend will come around making sly remarks  
Trying to put you down  
I believe in you, you believe in me tooListen honey, people talking, trying to pull us apart  
Sticking pins and needles in both of our hearts  
I love you no matter  
Don't care about the stormy weatherI heard your mother say  
Loving me didn't make no sense  
But when she put me down  
You stood up in my defenseI believe in you  
Anytime you against your own mother  
It makes me know  
You believe in me, yeahHere's another thing  
We had our hard times  
And almost didn't make it  
We always worked it  
Never tried to fake itBut I believe in you  
You believe in me tooHere's anything about it  
People talking, trying to pull us apart  
Always sticking pins and needles in both of our hearts  
Our love together  
Don't care about the stormy weatherI believe in you  
You believe in me too, yeahI believe, that's why every time we get a chance  
I tell you, honey, how much I love you  
Love you, love you  
Love you, love youAnd most of all, how much I trust you  
The reason why I trust you, baby  
Is because of one thing  
I can lean on you, yeah, baby

And you can lean on me too  
One more time I'm gonna say I believe in you  
Honey, please let me believe in you  
I know a lot of folk out there  
Wish they had somebody they could believe in I believe in you  
You believe in me too  
Anytime you against your own mother  
It makes me know You believe in me  
I believe in you  
And you've shown me enough to know  
You believe in me too
