## Amanda Black

driftin  
I'm driftin no way hey into the darkness  
ndizothath'u mthwalo ndimbeke mqolo mama  
ubomi bunzima  
so leave my head apart  
open my eyes and I will fly ohh  
I'm barely copin  
I'm feelin closin, looking up happy enough  
heavens will open  
mdali wezulu ndikhalela kuwe  
open up, open up  
I'm feelin close now  
the light shinin bright but I'm losing my flaws kudala ndisiwa ndivuka, ndifuna noluthando  
ndifuna noluthando mmn  
kudala ndifuna ubomi buvume  
vungama ngonyama  
vungama ohh—2  
vulek... a, vile... ka  
vuleka, vuleka vuleka amazulu  
vuleka, amazulu  
vuleka, amazulu oo... hhhhhhI'm givin  
the takin, trippin and fallin  
tell me I'm nothing, don't care what they sayin now begging you darlin  
start loosin your flaws  
eey no more driftin, no more driftin away, livumil'icamagu  
avulekile amazulu  
I'm fightin for survival
