Chattahoochee

ProSound Tribute Band

I got a room where I can breathe
I got a view no one else can see
Everybody here knows
Just what's right for me
Don't have to worry
The doctor's always in
I'm never lonely
I'm here with all my friends
In Chattahoochee
I'm not crazy
Chattahoochee
I'm just lazy
Chattahoochee
Found my home
In Chattahoochee
Out on the outside they sweat to pay the rent
While we play cards, they say we ain't got no sense
They think they have a good time
Blowin' somethin' up their nose
Their corporate ladder
Can kill you it's so high
While it's a party
Here on the other side
Chattahoochee
I'm not crazy
Chattahoochee
I'm just lazy
Chattahoochee
Found my home

In Chattahoochee
Who's to say who's crazy, it's easy to see
All you've gotta do is turn on your TV
All the people on the outside
Tryin' to be someone else
I'm havin' fun here
Just bein' myself
In Chattahoochee
They brought me here and said "You're so dangerous to yourself"

But I ain't the one here out to blow us all to hell
Just here to have a good time
Let me know how it goes
Don't have to worry
The doctor's always in
I'd rather be here
With all of my friends
In Chattahoochee
I'm not crazy
Chattahoochee
I'm just lazy
Chattahoochee
Found my home
In Chattahoochee
Chattahoochee
Chattahoochee
Chattahoochee
