

# Chattahoochee

## ProSound Tribute Band

I got a room where I can breathe  
I got a view no one else can see  
    Everybody here knows  
    Just what's right for me  
    Don't have to worry  
    The doctor's always in  
    I'm never lonely  
I'm here with all my friends  
    In Chattahoochee  
    I'm not crazy  
    Chattahoochee  
    I'm just lazy  
    Chattahoochee  
    Found my home  
    In Chattahoochee  
Out on the outside they sweat to pay the rent  
While we play cards, they say we ain't got no sense  
    They think they have a good time  
    Blowin' somethin' up their nose  
    Their corporate ladder  
    Can kill you it's so high  
    While it's a party  
    Here on the other side  
    Chattahoochee  
    I'm not crazy  
    Chattahoochee  
    I'm just lazy  
    Chattahoochee  
    Found my home  
  
In Chattahoochee  
Who's to say who's crazy, it's easy to see  
All you've gotta do is turn on your TV  
    All the people on the outside  
    Tryin' to be someone else  
    I'm havin' fun here  
    Just bein' myself  
    In Chattahoochee  
They brought me here and said "You're so dangerous to yourself"

But I ain't the one here out to blow us all to hell  
Just here to have a good time  
Let me know how it goes  
Don't have to worry  
The doctor's always in  
I'd rather be here  
With all of my friends  
In Chattahoochee  
I'm not crazy  
Chattahoochee  
I'm just lazy  
Chattahoochee  
Found my home  
In Chattahoochee  
Chattahoochee  
Chattahoochee  
Chattahoochee
