

# Sincerely, Me

## Better Than Ezra

I can still recall  
The way you looked that fall in your favorite dress  
The day before you left  
And since that time, I wrote a simple rhyme Well, I miss you and the things you do  
The time we had, the good and bad  
The day we met that I can't forget  
Signed, 'Sincerely, me' Are you cross at your loss?  
But could you be more obsessive  
If I'd given you the chance  
But since you asked, a reply but it's the last And I miss you and the things you do  
The time we had, the good and bad  
The day we fought, and the buzz we caught  
Signed, 'Sincerely, me' Oh, my God, and don't forget P.S.  
I moved away to a new address  
It's far away and I think it's best  
Signed, 'Sincerely, me' Why can't it be like it was?  
The rain falls, the summer ends  
Why can't it be like it was?  
You always said, you'd never go away And I confess, I was such a mess  
But I drove for fifteen hours  
On that nasty Greyhound bus  
And I've returned, you'd think that I would have learned But I miss you and the things you do  
The times we had, the good and bad  
The day we met that I can't forget  
Signed, 'Sincerely, me' Could you really be a bitch like that?  
Broke my door when you stole the cat  
Someone said that you even laughed  
Signed, 'Sincerely, me' Why can't it be like it was?  
The rain falls, the summer ends  
Why can't it be like it was?  
You always said, you'd never go away I miss you  
And I miss you  
I miss you And I miss you  
The times we had, the good and bad  
The day we met that I can't forget  
The face you make when you masturbate  
Our bed in the moonlight The time we fought, you were so distraught  
The time you had [Incomprehensible]  
God knows I apologize

Signed, 'Sincerely, me' Why can't it be like it was?  
The rain goes, the sun returns  
Why can't it be like it was?  
You always said, you'd never go away  
You'd never go away  
You'd never go away Signed, 'Sincerely, me'  
Signed, 'Sincerely, me'
