

Crush

Orchestral Manoeuvres In the Dark

Ahh, crush, ahhh
I see ya blowin' me a kiss
It doesn't take a scientist
To understand what's going on baby
If you see something in my eye
Let's not over analyze
Don't go too deep with it baby
So let it be what it'll be
Don't make a fuss and get crazy over you and me
Here's what I'll do
I'll play loose
It's not like we have a date with destiny
It's just a little crush (crush)
Not like I faint every time we touch
It's just some little thing (crush)
Not like everything I do depends on you
Sha-la-la-la, sha-la-la-la
It's raising my adrenaline
You're banging on a heart of tin
Please don't make too much of it baby
You say the word "forevermore"
That's not what I'm looking for
All I can commit to is "maybe"
So let it be what it'll be
Don't make a fuss and get crazy over you and me
Here's what I'll do
I'll play it loose
It's not like we have a date with destiny
It's just a little crush (crush)
Not like I faint every time we touch
It's just some little thing (crush)
Not like everything I do depends on you
Sha-la-la-la, sha-la-la-la
Vanilla skies (vanilla skies)
White picket fences in your eyes
A vision of you and me
It's just a little crush (crush)
Not like I faint every time we touch
It's just some little thing (crush)

Not like everything I do depends on you

Sha-la-la-la

Not like I faint every time we touch

It's just some little thing

Not like everything I do depends on you

Sha-la-la-la

Not like I faint every time we touch

It's just some little thing

Not like everything I do
