Take Me Back (Interlude)

Ebony Eyez

Take me back to my dreams of G.I. Joe and make believe
When I used to fall asleep.
Playing army in the fort, watching Star Wars on the floor
Looking up to so much more
Take me back to that place where the sun shined on our face,
Where our memories never fade
Take me back to the day where we could always slip away
Being cool under the shade
Camping out under stars in the backyard with our cars
We could stay out here for hours
At home watching Scooby Doo in my He-Man underroos
Telling me I have the power
Take me back, take me back, take me back to a better place
Take me back, take me back, take me back to a better day
