

# Happy Home

## Elmore James And The Broom Dusters

Oh man, hey, let's turn this house into a happy home  
This for all the homeboys that couldn't get their happy home  
    Let's turn this house into a happy home  
    Long as one of us got it, some of us got it  
    Let's turn this house into a happy home  
    You know how that is, stay down for me  
        Outlaw, look  
    Now we've been kickin' it for quite some time  
    Remained beside me through my trials in this life of crime  
        We divorced so many times I forgot to count  
        I never hit you, not a coward, rather leave your house  
        Remember back in December when we was tight?  
    Sippin' Alize and Cristal, whilin' every night in my bedroom  
        Promised that I commit to you soon  
    Tongue kissed me every time you seen me step inside a room  
        Straight out the hood  
    We promised to be good to each other, plus I love you  
        So I know you gonna make a good mother  
        Just try to understand if I change at times  
        It's only 'cause I never owned anything that's mine  
        So I'm tryin' you can stay with my momma  
        But keep the drama to a low  
    Never call the police, I never call you bitch and ho  
        We were all born hungry in this world alone  
    Finally moved out my mom's house and got a happy home  
        Happy home  
        (Let's turn this house into a happy home)  
        Happy home  
    (Finally made it outta mom's house, got a happy home)  
        Happy home  
        (Turn this house into a happy home)  
        Happy home  
        Goin' through hard times, ghetto child of mine  
    I wonder if you have to suffer for your father's crimes  
    To be honest it's a hard road, just keep your faith in God  
        Knowin' you'll get scarred though  
        Look at him walkin' and talkin'  
        A lil' child with my eyes and mouth  
    Father watch over lil' seeds, help me guide them out

Had to change my whole lifestyle, married my baby's momma  
Made her my wife now, I'm tryin hard y'all  
Maybe in time I'll be a better man  
Watchin' the older couples, handle it like veterans  
Show me the meaning of forever and together we rise  
If it would help our child grow, then together we'd die  
Why question my love? It's so easy to see  
Without my family all I'm left with is a shadow of me  
After all the arguments, and the nights alone  
Now it's time to lead a good life, inside a happy home  
Happy home  
(Turn this house into a happy home)  
Happy home  
(Finally got to lead a good life, inside a happy home)  
Happy home  
(Turn this house into a happy home)  
Happy home  
(Happy home)  
All these problems got me goin'  
We got a family, of our own  
I just wanna happy home  
(Turn this house into a happy home)  
No man's made to stand alone  
I promise, I won't do you wrong  
I just want a happy home  
(Finally made it outta mom's house, got a happy home)  
Happy home, I just want a happy home  
(Turn this house into a happy home)  
Happy home  
(Finally got to lead a good life, inside a happy home)  
Happy home, I just want a happy home  
(Turn this house into a happy home)  
Happy home  
(Finally made it outta mom's house, got a happy home)  
(Happy home)  
Hey, turn this house into a happy home  
Long as one of us got it, some of us got it
