

Surfin' in Tofino

The Planet Smashers

Park my van on the Pacific shore
we got the wax and we got our boards
It's mid-august and the weather's fine
I'm gonna out to shoot the pipe lines
Get up, with the ventures sweet sound
Get down it's always an adventure
I'm going surfin' in Tofino (x2)
and I'm never coming back
Surf the flow, we'll hit Cox Bay
No rocks at Rosies or you will pay
Pull into the park and crash long beach
Flip off the ranger gonna sleep on the beach
Get up, with the ventures sweet sound
Get down it's always an adventure
I'm going surfin' in Tofino (x2)
and I'm never coming back
Where are you going dude
I'm off to the wick to catch the big one
Oh All right !
