Happy Summertime (feat. Snoop Dogg)

R. Kelly

Happy summer time niggas, ahh, yeah
We rolling, we rolling, we rolling, we rollingDrop up in the summer time
And we rolling through the block with the sun shining and I
Just wanna ride, I just wanna rideGo to the mall and I hit the gym
Have a pool party, gets some chicks, all swim I
I just wanna ride, I just wanna rideSun shining like California
Come here girl let me push up on ya
Can we do how we do in a China hard day
Pull you to the club 'cause it's FridayLet's drink and hit the dance floor
DJ put the summer jam on
Big chips at the bar spending
GT with the wheels spinningLet's get some wear and get high
For the rest of the night
Sex and then gon' get a bite
Oh, take with a thug baby and if you want it
You can get it pumping backCatch me rolling on the block
With the beat playing, making it hot for you
How we do?And if your girls looking at me
I might have to snatch her up
When your head turns
This is how we do, summertimeDrop up in the summer time
And we rolling through the block with the sun shining and I
Just wanna ride, I just wanna rideGo to the mall and I hit the gym
Have a pool party, gets some chicks, all swim I
I just wanna ride, I just wanna rideSlip and trip, we flip to new hit
You gots to do with with Mr. Cool with
'Cause I'm better than the rest of them
I'm too stepping on Lake MichiganOh my God, my nephew didn't did it again
Pool full of woman, and mo' tryna get in
Well, c'mon it's all cool, ain't no rules
It's the summertime so we gon' act a foolWatch you wanna do, nah, watch you wanna do
Is rush me a plate of that barbecue with a quickness
Move fast, better yet, move quicker
Then get my a 40 ounce from Kem with liquorSlide by millennium book
One more spot to hit before it gets dark
Lake sure we drive, slip till we slide
Summertime on the west side, west side, west sideWe be rolling on most 24's
Coming down your strip
Everything is fine
