

# Soldier Of Love

## Donny Osmond

So you heard that I'm a rebel with a heart made of stone.

I got a restless spirit that nobody can own.

If a picture tells a story won't you listen to mine,

I'm searching for the answer but it's so hard to find. You'll see much deeper when you read between the lines,  
'cause there's a fire burning in my eye. Like a thief in the night, who can't get enough,

I am willing to fight,

'cause I'm a soldier of love.

Like a shot in the dark when the going gets rough,

It's a state of the heart

When you're a soldier of love. I'm willing to fight. Love can be so heartless when you turn out the lights,  
A mutual surrender in the heat of the night.

Life's an empty picture when you're living alone,

Well, maybe that's the reason every heart needs a home. Each time I fall down, I get on my feet again.  
I'm gonna win this battle in the end. Like a thief in the night, who can't get enough,

I am willing to fight,

'cause I'm a soldier of love.

Like a shot in the dark when the going gets rough,

It's a state of the heart

When you're a soldier of love. You'll see much deeper when you read between the lines,  
'cause there's a fire burning in my eye. Like a thief in the night who can't get enough,

I am willing to fight,

'cause I'm a soldier of love.

Like a shot in the dark when the going gets rough,

It's a state of the heart

When you're a soldier of love. Sha la la la la la la

When the going gets rough,

Sha la la la la la la

I'm a soldier of love.
