## **Holding Out for a Hero**

## Ella Mae Bowen

Where have all the good men gone
And where are all the gods?
Where's the street-wise Hercules
To fight the rising odds?
Isn't there a white knight upon a fiery steed?
Late at night I toss and turn and dream
of what I need
[Chorus

Chorus

I need a hero

I'm holding out for a hero 'til the end of the night He's gotta be strong

And he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure

And he's gottta be soon

And he's gotta be larger than life

larger then life

Somewhere after midnight

In my wildest fantasy

Somewhere just beyond my reach

There's someone reaching back for me Racing on the thunder and rising with the heat Isn't there a superman to sweep me off my feet?

[Chorus]

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong

And he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure

And he's gotta be soon

And he's gotta be larger than life

Up where the mountains meet the heavens above Out where the lightning splits the sea

I could swear that there's someone somewhere

Watching me

Through the wind and the chill and the rain

And the storm and the raging flood

I can feel his approach

Like the fire in my blood

Ill meet a hero

And then we'll dance till morning light

Dreaming he'll lead me,

Held tight tonight's the night

[chorus]

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong

And he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure

And it's gotta be soon

And he's gotta be larger than life

larger then life

ohhhh

Larger then life

larger than life

Oh Maybe

Maybe

Maybe tonight

Oh who oh
