Strokin Off

The Shivas

I see you walkinâ€™ along
and I want you
I see you walkinâ€™ to me
and I want you to

Well I want, want cha to know
that I donâ€™t, want cha to know
I wanna see you hanginâ€™ around
cuz I want you

Uh-oh oh oh

And you know itâ€™s not too long
I can stay here
Iâ€™m not sure ya understand
what I say, dear

Well you got me hypnotized
oh I can feel it behind my eyes
Iâ€™m gonna stay a long long time
away here

Well I want, want cha to know
that I donâ€™t, want cha to know
I wanna see you hanginâ€™ around
cuz I want you

Uh-oh oh oh

You donâ€™t act surprised
when you can feel around your thighs
Iâ€™m gonna stay a long long time
away here

Ah ah, ahhh x7
