Bring It On

Keith Washington

Bring it on, bring it on
Bring it on, bring it on
(Break it down)
Bring it on, bring it on
Bring it on, baby, just bring it onBring it on, bring it on
Bring it on, bring it on
(Break it down)
Bring it on, bring it on
(Bring it on)
Bring it on, baby, just bring it onIt's two o'clock in the morning
This is the time when games begin
I feel your body shakin'
'Cause you know just what I'm thinkin'Let's lie here on the floor
'Cause my bedroom's too far to go
I just wanna get into you
And I'll do anything that you wanna do, justBring it on, bring it on
(Bring it on)
Bring it on, bring it on, oh ho
(Break it down)
Bring it on, bring it on
(Bring it on just)
Bring it on, baby, just bring it onBring it on, bring it on
(I know what you need)
Bring it on, bring it on
(Bring it home to me)
(Break it down)
Bring it on, bring it on
(Oh oh)
Bring it on, baby, just bring it onLet me know if this is okay
If my body's movin', movin' the right way
(If you like what I'm doing scream a little loud, louder)
'Cause it feels so good to me
Makin' love to you sets my body free, baby
(And I know you wanna get freaky)
Your sexy body makes me scream
And you're on top so, girl, do your thingI just wanna satisfy so I'll get on my knees
(On my knees)
To know I'm going down 'cause, girl, I know you like it
(So bring it on me)Bring it on, bring it on

(I like the things you do)
Bring it on, bring it on
(The way you make your body move)
(Break it down)
Bring it on, bring it on
(See I like it baby, I like it, baby)
Bring it on, baby, just bring it on
(Baby, I like the way you love me)Bring it on, bring it on
(So let the games begin)
Bring it on, bring it on
(And we gon' play it till the end)
(Break it down)
Bring it on, bring it on
(I can feel your body's getting hot)
Bring it on, baby, just bring it on
(So bring it on, just bring it on, girl)
(Bring it on, just bring it on)Oh, keep it comin' 'cause it feels so good
No one has ever loved me like this
Not even close, never before
Doin' me like I have never been done beforeOh, take your time
Let's make it last all night long
My main concern is just to turn you on, and on
(My main concern is just to turn you on, all night long, yeah)
Bring it onBring it on, bring it on
(Keep it comin' please)
Bring it on, bring it on
(I get down on my knees)
(Break it down)
Bring it on, bring it on
(At your request)
Bring it on, baby, just bring it on
(Anything you wanna do)
(I'll close my eyes and leave it up to you)Bring it on, bring it on
(Bring it on, on, on)
Bring it on, bring it on
(Just let the games begin)
(Break it down)
Bring it on, bring it on
(And anyway you wanna work this here body)
Bring it on, baby, just bring it on
(Bring it on)Bring it on, bring it on
(Oh yeah)
Bring it on, bring it on
(You won't tell me, girl)
(Break it down)

Bring it on, bring it on
(Bring it on the floor)
Bring it on, bring it on
(Baby just bring it on)
