

(Your Love Has Lifted Me) Higher And Higher

Otis Redding

Your love is liftin' me higher
Than I've ever been lifted before

Your love is liftin' me higher
Than I've ever been lifted before
So keep it up, quench my desire
And I'll be at your side forevermore

Now once, I was downhearted
Disappointment was my closest friend
But you came, he soon departed
And he never showed his face again

Ohh I'm so glad I finally found you
You're that one in a million man
When you wrap your lovin' arms around me
I can stand up and face the world again

Your love is liftin' me higher
Than I've ever been lifted before
So keep it up, quench my desire
And I'll be at your side forevermore

Oh your love is liftin' me higher
Than I've ever been lifted before
So keep it up, quench my desire
And I'll be at your side forevermore

Your love is liftin' me higher
Than I've ever been lifted before
So keep it up, quench my desire
And I'll be at your side forevermore
