

# Make It Rain

Ed Sheeran

When the sins of my father  
Weigh down in my soul  
And the pain of my mother  
Will not let me go  
Well I know there can come fire from the sky  
To refine the purest of kings  
And even though  
I know this fire brings me pain  
Even so  
And just the same Make it rain  
Make it rain down low  
Make it rain  
Oh make it rain  
Make it rain  
Make it rain down low  
Make it rain  
Make it rain The seed needs the water  
Before it grows out of the ground  
But it just keeps on getting hard  
And the hunger more profound  
Well I know there can come tears from the eye  
But they may as well be in vain  
Even though  
I know these tears come with pain  
Even so  
And just the same Make it rain  
Make it rain down low  
Make it rain  
Oh make it rain  
Make it rain  
Make it rain down low  
Make it rain  
Make it rain And the seas are full of water  
That stops by the shore  
Just like the riches of grandeur, oh no no  
Never reach the port  
So let the clouds fill with thunderous applause  
And let lightning be the veins  
That fill the sky

With all that they can drop  
When it's time to make a changeMake it rain  
Make it rain down low  
Make it rain  
Make it rain  
Make it rain  
Make it rain down low  
Make it rain  
Oh make it rainMake it rainÂ  
Make it rain  
Make it rain  
Oh make it rain  
Make it rain  
Make it rain down low  
Make it rain  
Oh make it rainMake it rain  
Make it rain  
Make it rain  
Make it rain  
Make it rain  
Make it rain  
Make it rain  
Oh make it rain
