

# Can't Help Falling In Love

## Christina Grimmie

Wise men say only fools rush in  
But I can't help falling in love with you  
    Shall I stay  
    Would it be a sin  
For I can't help falling in love with you  
    Like a river flows surely to the sea  
    Darling so it goes  
    Some things are meant to be  
    Take my hand, take my whole life too  
For I, I can't help falling in love with you  
    No I, I can't, can't falling in love with you
