

# Five Minutes Alone

## Pantera

i see you had your mind all made up you group of  
pitiful liars. before i woke to face the day, your master  
plan transpired. -something told me- this job had more to  
meet the eye. my song is not believed? my words some-  
what deceiving? now i'm unwhole.you've waged a war of nerves  
but you can't crush the kingdomcan't be what your idols are. can't leave the scar.  
you cry for compensation. i ask you please just give us...5 minutes alonei read your eyes, your mind was made  
up. you took me for  
a fool. you used complexion of my skin for a counter  
rascist tool. -you can't burn me- i've spilled my guts out  
in the past. taken advantage of because you know wherei've come [from]. my past.  
you've waged a war of nerves  
but you can't crush the kingdomcan't be what your idols are. can't leave the scar.  
I bury your compensation. i ask you please just give us...5 minutes alone
