God Is in Control

Twila Paris

This is no time for fear
This is the time for faith and determination
Don't lose the vision here carried away by the motion
Hold on to all that you hide in your heart
There is one thing that has always been true
It holds the world togetherGod is in control
We believe that His children will not be forsaken
God is in control
We will choose to remember and never be shaken
There is no power above or beside Him, we know
Oh, God is in control, oh God is in controlHistory marches on
There is a bottom line drawn across the ages
Culture can make its plan oh, but the line never changes
No matter how the deception may fly
There is one thing that has always been true
It will be true foreverGod is in control
We believe that His children will not be forsaken
God is in control
We will choose to remember and never be shaken
There is no power above or beside Him, we know
Oh, God is in control, oh God is in controlHe has never let you down
Why start to worry now?
Why start to worry now?
He is still the Lord of all we see
And He is still the loving Father
Watching over you and meWatching over you, watching over me
Watching over every thing
Watching over you, watching over me
Every little sparrow, every little thing
Oh, every little thing, ohGod is in control
We believe that His children will not be forsaken
God is in control
We will choose to remember and never be shaken
There is no power above or beside Him, we know
Oh, God is in control, oh God is in controlOh God is in control
Oh God is in control
