Like I Love You

Like I Love You
Performed by: Jay'e R.
Written by: Greg Pridgen, Jr. (BMI)

Your eyes tell me the story
Of the person that you are
I see in them youâ€™re an angel
Who is guarded by your scars
I stand outside of this high wall
That youâ€™ve built around yourself
Telling you how much I love you
And I donâ€™t want nobody else

(You say that youâ€™re not ready)
You know I understand
(You say Iâ€™ll find another)
Iâ€™m your one and only man
(You say your heartâ€™s been broken)
Mend it up that is my plan
Iâ€™m not going anywhere
Right here is where I stand
(Loving you is never easy)
Who said that it would be?
(You feel youâ€™re no one special)
But youâ€™re the one for me
(You say that I am crazy)
And Iâ€™m crazy over you
Because one thing that I know
Is baby I love you

Your heartâ€™s my home
Want you for my own
Because thereâ€™s no me, baby without you
Canâ€™t you see?
Youâ€™re the one for me
Want you to love me, like I love you

In the moments since Iâ€™ve met you
Find I love you more and more

But youâ€™ve locked your heart away, baby
And Iâ€™m knocking at its door
Hoping you will let me inside
Just to give you all my love
Because youâ€™re the one I live for
You are the one that I adore

(Your heart is locked away now)
Baby, just give me the key
(You ask me why I want you.)
I love you, canâ€™t you see?
(You say that loveâ€™s not for you)
Baby loveâ€™s for everyone
Wonâ€™t you just give me the chance?
I swear that I wonâ€™t run
(Itâ€™s a crazy situation)
How crazy can it get?
(You say I barely know you)
What I know, I wonâ€™t forget
(Youâ€™re afraid to let love happen)
Baby, letâ€™s give a try
I know that you love me too
I can see it in your eyes

Your heartâ€™s my home
Want you for my own
Because thereâ€™s no me, baby without you
Canâ€™t you see?
Youâ€™re the one for me
Want you to love me, like I love you
(Music break)

(You say that youâ€™re not ready)
You know I understand
(You say Iâ€™ll find another)
Iâ€™m your one and only man
(You say your heartâ€™s been broken)
Mend it up that is my plan
Iâ€™m not going anywhere
Right here is where I stand
(Loving you is never easy)
Who said that it would be?
(You feel youâ€™re no one special)
But youâ€™re the one for me
(You say that I am crazy)

And Iâ€™m crazy over you
Because one thing that I know
Is baby I love you

Your heartâ€™s my home
Want you for my own
Because thereâ€™s no me, baby without you
Canâ€™t you see?
Youâ€™re the one for me
Want you to love me, like I love you
