

# Negative Space (Album Version)

## Spineshank

I don't have what you need  
You don't know but I still see  
The situation brings me downSee wasted days inside me  
    No changing ways becoming  
    Falling away from nothing  
Sobering days, I'm dying nowI don't care what you want  
    You don't know I'm already gone  
The situation brings me downSee wasted days inside me  
    No changing ways becoming  
    Falling away from nothing  
Sobering days, I'm dying nowWhat I feel everyday  
    Keeps everything nice and cold  
    I'm not sure what you need  
    It's not me anymore  
All of our memories are just a thought away  
Get the fuck away from meSee wasted days inside me  
    No changing ways becoming  
    Falling away from nothing  
Sobering days, I'm dying now
