

Grace and Love

Kutless

And many things in life are all hard for me
And many things can pull us down
I don't understand why I do what I do
How could I take my eyes off you ?
After all You've done for me
And after all You've done for me And it's by grace and love that I am saved
And it's by grace and love You've forgiven me, hey
And by that love and grace, I'm amazed
And it's by grace and love that I am free, I am free
I am free, I am free And it's by grace and love that I am free
I'll live with you eternally
I thank You Lord that I am free
I thank You Lord for loving me I thank You Lord for dying
Upon the tree of Calvary
I thank You Lord for loving me
I thank You Lord for dying for me Because it's by grace and love that I am saved
And it's by grace and love You've forgiven me
And by that love and grace, I'm amazed
And it's by grace and love that I am free
I am free, I am free, I am free And many things in life are all hard for me
And many things can pull us down
But by grace and love You've forgiven me
And by grace and love we are free
