Tell Me Why

P.O.D.

A day with no glory
A heart filled with fear
Still repeating his story
To make ourselves clear
A voice is unheard when it shouts from the hills
Your king in his castle
Never died on this feelsHis blood on your hands
A smile on your face
But wicked intentions
When his money to be made
A room with no windows
And a heart that can't feel
Shame with no convictions and a view to a kill[Chorus]
Tell me why
And why must we fight
And why must we kill in the name of what we think is right
And no more
No war
Is how do you knowThe hate in your eyes
The lies on your tongue
A hand that kills the innocence who quit to do wrong
Your belly is full
While we fight for what remains
The rich getting richer
While the poor become slavesWe kill our own brothers
The truth is never told
If victory is freedom
Then the truth is untold
Surrender your soldiers
Like everyone else
If love is my religion
Don't speak for myself[Chorus][Repeat x4]
And how do you know?[Chorus]I'm living this life
I'm givin' this lies
And how do I die for the name of what you think is right
And no more
Oh Lord
Is how do we know

And how do we know?
