

# The Virgin and the Gypsy

[Steve Hackett](#)

A gypsy compliment for (kneel down)  
The scent of tyranny's daughter (we are found)  
At seventeen were bled in wild cream  
Passing milk thistle by  
Fox on the run  
Old ragged robin flies  
Virtue undone  
A garland of green flowers (field of lime)  
Surround a silver smoke tree (yours and mine)  
Sweet marigold, not easy to find  
Passing milk thistle by
