Fifth Harmony

[Pre-Chorus: Dinah]
You have reached
A phone number that is no longer in service for you
So don't wait for me to call you back
Cause I ain't doing too bad
Not thinking bout you[Chorus: Normani & Dinah]
Shake it shake it shake it shake it shake it shake it
All my single ladies
Shake it shake it shake it shake it shake it shake it
All my pretty ladies
[Verse 1: All & Lauren]
Way up
Way up
The club is going up and I ain't thinking bout you
Stay up
Stay up
My girls are getting down you can watch us on the news
You keep on calling, You keep on calling
I ignore it, I ignore it
You keep on calling, You keep on calling
Let my voicemail, answer for me[Pre-Chorus: Dinah]
You have reached
A phone number that is no longer in service for you
So don't wait for me to call you back
Cause I ain't doing too bad
I ain't thinking bout you
You have reached
A phone number of an ex lover you should probably lose
It's time that you start dealing with the facts
Cause I ain't doing too bad
Not thinking bout you[Chorus: Normani & All]
Shake it shake it shake it shake it shake it shake it
All my single ladies
Shake it shake it shake it shake it shake it shake it
All my pretty ladies[Verse 2: All & Camila]
Say what
Say what
Got everything I need and it don't include you
Way up

Way up
You never seen a booty moving like mine do
Bounce(x4)
You keep on calling, You keep on calling
I ignore it, I ignore it
You keep on calling, You keep on calling
Let my voicemail, Answer for me[Pre- Chorus: Dinah]
You have reached

Ayo
I won't need time for you
"I'm sorry" just won't do
It's too late boy I'm through
Oh
Ayo, let me do you a favor
No you won't see me later
If you call I'm not there[Pre-Chorus: Dinah & All]
You have reached
A phone number that is no longer in service for you
So don't wait for me to call you back
Cause I ain't doing too bad
I ain't thinking bout you
You have reached
