

Stranger In My House (Maurice's Club Anthem)

Tamia

There's a stranger in my house
Took a while to figure out
There's no way you could be
Who you say you are, you got to be someone else 'Cause he wouldn't touch me like that
And he wouldn't treat me like you do
He would adore me, he wouldn't ignore me
So I'm convinced there's an stranger in my house I don't understand
You look just like my man
In the picture by our bed
The suspense is pounding and clouding up my head I'm checking your clothes
And you wear the same size shoe
You sleep in his spot and your driving his car
But I don't know just who you are There's a stranger in my house
Took a while to figure out
There's no way you could be
Who you say you are, you got to be someone else 'Cause he wouldn't touch me like that
And he wouldn't treat me like you do
He would adore me, he wouldn't ignore me
So I'm convinced there's an stranger in my house I'm not sure who you are
Don't see your shadow around when you walk
You leave with no kisses, goodbye with no words
If these walls could talk they would have nothing to tell So what could it be
Is there someone imitating me?
Could she be taking my place, look me in the face
And tell me that I'm wrong when I say There's a stranger in my house
Took a while to figure out
There's no way you could be
Who you say you are, you got to be someone else 'Cause he wouldn't touch me like that
And he wouldn't treat me like you do
He would adore me, he wouldn't ignore me
So I'm convinced there's an stranger in my house Pop quiz, tell me where we first kissed?
Tell me where my spot is? Tell me if I liked it, loved it?
Or could it be that the stranger is me, have I changed so drastically?
Is it I want more than me and you remain the same? There's a stranger in my house
Took a while to figure out
There's no way you could be
Who you say you are, you got to be someone else 'Cause he wouldn't touch me like that
And he wouldn't treat me like you do
He would adore me, he wouldn't ignore me

So I'm convinced there's an stranger in my house
There's a stranger in my house
Took a while to figure out
There's no way you could be
Who you say you are, you got to be someone else'
Cause he wouldn't touch me like that
And he wouldn't treat me like you do
He would adore me, he wouldn't ignore me
So I'm convinced there's an stranger in my house
