

Christmas Time

Christina Aguilera

Fa la la la la, fa la la la la la
Fa la la la la, fa la la la la la When I was young every Christmas Eve
I could not sleep
Trying to catch that old St. Nick
Leaving presents under my tree
And every year I'd fall asleep laying in my bed
Dreaming of a million sugarplums
Dancing in my head Oh how much joy it is at Christmas time
The spirit of giving is in our lives
Oh, oh how much joy it brings to see the ones you love
This year's gonna be the best Christmas because There'll be family and Christmas cheer (oh ooh)
Peace and goodwill to all men (ooh)
Everybody is home for Christmas
Everybody is home (everybody is home)
Sneaking a kiss under the mistletoe
I want a white Christmas so let it snow (let it snow)
Everybody is home for Christmas (oooh)
Everybody is home for Christmastime Friends come together as we decorate the tree
This is the time of year to live in harmony
Angels watch over as we put the kids to sleep
And when they awake their smiling faces
Make it all complete, oh This is the holiday you're with the family
We put aside our differences and let it be
Oh, oh how much fun it is to give and to receive
This time of year, love is all we need, ohh There'll be family (family) and Christmas cheer (oh)
Peace and goodwill to all men
Everybody is home for Christmas
Everybody is home (everybody is home)
Sneaking a kiss under the mistletoe
I want a white Christmas so let it snow (oh yeah)
Everybody is home for Christmas
Everybody is home it's Christmastime It's Christmas time
Fa la la la la, fa la la la la la
Fa la la la la, fa la la la la la Open your heart now
This is the time for us to give
The world needs love now
So live and let live, families all here
The spirit is good cheer, the sound of carolers
Ringing sweet in my ear, everything is all fine

You know why, it's Christmastime, what Oh how much joy it is at Christmas time
The spirit of giving is in our lives
Oh, oh how much joy it brings to see the ones you love
This year's gonna be the best Christmas because There'll be family (family) and Christmas cheer (oh)
Peace and goodwill to all men
Everybody is home for Christmas (ohh)
Everybody is home (everybody is home)
Sneaking a kiss under the mistletoe (mistletoe)
I want a white Christmas so let it snow
Everybody is home for Christmas
Everybody is home it's Christmastime
It's Christmastime
It's Christmastime
It's Christmastime, oh yeah Everybody is home for Christmas (ohh)
Everybody is home (everybody is home)
Sneaking a kiss under the mistletoe (let it snow)
I want a white Christmas so let it snow (let it snow)
Everybody is home for Christmas
Everybody is home it's Christmastime You need family, gifts under the tree
Everybody is home for Christmas (home for Christmas)
Everybody is home
Sneaking a kiss under the mistletoe
I want a white Christmas so let it snow (ohh ooh oh)
Everybody is home for Christmas
Everybody is home it's Christmastime
