

Connected or Infected

The Last Days Of Jesus

this is not my body, this is not my head the only thing that I recognize is just my stupid face, doctor doctor give me a pill give me a medicine that's my heroin, doctor doctor give me a pill give me a medicine that's my heroin, heroin(x3) coward _____? has nothing to say, perhaps tomorrow I'll forget my name, I know there's something in my inside don't you trust hidden trails doctor doctor give me a pill give me a medicine that's my heroin, doctor doctor give me a pill give me a medicine that's my heroin, heroin(x3) create my body of plastic, the souls just love it when they nail me to the reality switch on the clock and watch me die doctor doctor give me a pill give me a medicine that's my heroin, doctor doctor give me a pill give me a medicine that's my heroin,
