Nigga we hustlers, we please our customers pay me or I'm a bust ya
This is my life in the hood we funnel, dough by the bundle
I make a fucking ton folk, this is my life niggaz Bentleys to Hummers
Winters to summers, ya can't take it from us, wit' all my ho's saying

I'm a G, we riding, we riding, we riding, we riding, let's get to it G
We riding, we riding, we riding, we riding, let's get to it G
Let's get to it G, I grind hard if anybody time do it's me
I'm from the hood Mayne, where niggaz good slang
And they'll take ya head off for a lil' change

(Yeah, yeah)
Had to get up off my ass and make this time pass
Wasn't fast but it eventually came, I'm a G in the game
Street rich niggaz, born to get figgas
If you ain't starting on no team you fucking wit' us
Everything you niggaz done I done done it twice
Me and my Hoggz nothing nice, this is my life
