Advisory - the following lyrics contain explicit language:

Consecrate your soul
Or there's gonna be hell to pay
You've got them where they live
Come the Judgment DayFather, forgive our sins
Mother, forgive us too
Forgive but don't forget
They never meant to hurt youShe's doing the widow walk
Since her ship went down
Aw, you have seen her with a pretty boy
On the country side of townHer captain is lost at sea
Her ship is forgotten too
Aw, she'd admit she'd been singing
The hellfire brimstone bluesShould never have tried to rock
Should never have tried to roll
Aw, but damn, I don't regret
The 33 RPM SoulThe 33 RPM Soul
The 33 RPM Soul
The 33 RPM Soul
The 33 RPM SoulShould never have tried to rock
Should never have tried to roll
Aw, but damn, I don't regret
The 33 RPM SoulThe 33 RPM Soul
The 33 RPM Soul
The 33 RPM Soul
The 33 RPM Soul
