Someone, Somewhere

Asking Alexandria

(Even though I'm on my own)
(I know I'm not alone)
(Cause I know there's someone, somewhere)
(Praying that I'll make it home)
(So here's one from the heart)
(My life right from the start)
(I need a home sweet home)
(To call my own)
It was you
That told me I could do this
You put the music in my heart
How you sang with a band in Memphis
It's hard just, to be strong
Not knowing if, I've done you proud
I like to imagine
You smile when you hear my songs
Even though I'm on my own
I know I'm not alone
Cause I know there's someone, somewhere
Praying that I make it home
So here's one from the heart
My life right from the start
I need a home sweet home
To call my own
A letter home
And I know we don't really speak much
We both know I'm not keen to
But I think there's things I've left unsaid
I'm okay, don't worry
I wish I'd been a better kid
I'm trying, to slow down

I'm sorry for letting you down
Even though I'm on my own
I know I'm not alone
Cause I know there's someone, somewhere
Praying that I make it home
So here's one from the heart
My life right from the start

I need a home sweet home
To call my own
Yeah!
You know it's just, Rock and roll
I know you're by my side, through it all
My terror twin and I
Let's take over the world
Even though I'm on my own
I know I'm not alone
Cause I know there's someone, somewhere
Praying that I make it home
So here's one from the heart
My life right from the start
I need a home sweet home
To call my own
Even though I'm on my own
I know I'm not alone
Cause I know there's someone, somewhere
Praying that I make it home
So here's one from the heart
My life right from the start
I need a home sweet home
To call my own
