

Iron Man

Ozzy Osbourne

I am iron man Has he lost his mind
Can he see or is he blind or
Can he walk at all or if he moves will he fall Is he alive or dead has he thoughts with in his head
Well just pass him there why should we even care He was turned to steel in the great magnetic field
When he traveled time for the future of mankind Nobody wants him he just stares at the world Planning his
vengeance that he will soon unfold Now the time is here for iron man to spread fear
Vengeance from the grave kills the people he once saved
Nobody wants him they just turn there heads
Nobody helps him now he has his revenge Heavy boots of lead fills his victims full of dread
Running as fast as they can iron man lives AGAIN!
