

# The Crazy Life

## Girls Aloud

Strip poker, always a joker  
Got that kind of fire in her eye  
Likes her cocktails pink but before you blink  
She's gone and stolen the night  
She's a flirt and proud, loves to please the crowd  
She's only playing the game  
And she'll make you blush cos she wants the crush  
She's gotta have it her way(Bridge)  
Don't you think you've had enough?  
Don't pretend you've had it tough  
You never miss the good stuff(Chorus)  
Some girls live for the crazy life  
What you see is what you get  
You'll wonder what a day in her shoes is like  
But you know you're not ready yet  
Some girls live for the crazy life  
What you see is what you get  
You'll wonder what a day in her shoes is like  
But you know you're not ready yet  
All night, city lights  
Dancing till the fever bites  
She'll do anything for fun  
She'll play a dirty dare, boy beware  
Tease you with her underwear  
Leave you with your pants undone  
She'll be dying to get ya  
Before she regrets ya  
Ladies, keep your man at home  
Cos there's a twinkle in her eye  
You can bet that it's your guy  
She doesn't like to sleep alone(Bridge)  
Don't you think you've had enough?  
Don't pretend you've had it tough  
You never miss the good stuff(Chorus)  
Some girls live for the crazy life  
What you see is what you get  
You'll wonder what a day in her shoes is like  
But you know you're not ready yet  
Some girls live for the crazy life  
What you see is what you get  
You'll wonder what a day in her shoes is like  
But you know you're not ready yet  
Some girls live for the crazy life  
What you see is what you get  
You'll wonder what a day in her shoes is like

But you know you're not ready yet
