

# And I Love You So

Perry Como

And I love you so, the people ask me how  
How I've lived 'till now, I tell them I don't know  
I guess they understand, how lonely life has been  
That, life began again the day you took my hand And yes, I know how lonely life can be  
The shadows follow me and the night won't set me free  
But I don't let the evening get me down  
Now that you're around me And you love me too, your thoughts are just for me  
You set my spirit free, I'm happy that you do  
The book of life is brief and once a page is read  
All but love is dead that is my belief And yes, I know how lonely life can be  
The shadows follow me and the night won't set me free  
But I don't let the evening get me down  
Now that you're around me
