Nothing to Say

Jethro Tull

Everyday there's someone asking
"What is there to do?"
Should I love or should I fight
Is it all the same to you?"No", I say, "I have the answer
Proven to be true

But if I were to share it with you
You would stand to gain and I to lose"Oh, I couldn't bear it
So I've got nothing to say

Nothing to say, nothing to sayEvery morning pressure forming All around my eyes

Ceilings crash, the walls collapse
Broken by the liesThat your misfortune brought upon us
And I wont disguise them
So don't ask me will I explain

I wont even begin to tell you whyNo, just because I have a name Well, I've got nothing to say

Nothing to say, nothing to sayClimb a tower of freedom
Paint your own deceiving sign
It's not my power to criticize

Or to ask you to be blindTo your own pressing problem

And the hate you must unwind

And ask of me no answer

There is none that I could give, you wouldn't findI went your way ten years ago

And I've got nothing to say

Nothing to say, nothing to sayNothing, nothing to say, nothing
Nothing to say, nothing, nothing to say
Nothing to say, nothing, nothing to say
Nothing to say, nothing, nothing to say
