99th Floor

Primal Scream

Everywhere I go, everyone I see
Say, "What's the matter witcha boy, ya got a strange disease?"
Oh, I know, I've got something wrong with me
There's a hole in my heart where my baby used to beBirds in the sky, dogs on the ground
Rats in the garbage but my baby can't be found
I'm going insane, they say she left on the midnight train
There's a hole in the sky, cluster bombs fall like hard rainI went to see a doctor, shot me full of junk
I'm on the 99th floor
Everybody said, Jump, jump, jump, jump
I got a hole, got a hole in my heartDeath on the stairs, plague at my door
Ghost in my bed cries, "She don't love you anymore"
Oh, mama please, you got the keys to the kingdom
I'm digging holes in my arm, I can't shoot my way to freedom
Shut up babyI went to see a doctor, shot me full of junk
I'm on the 99th floor
Everybody said, Jump, jump, jump, jump
I got a hole, got a hole in my heartIf you see my baby tell her I'm in flames
I beg her please for water but no more gasoline
Oh, Jesus Christ, I can't take it anymore
I got holes in my hands where she nailed me to the floorDig me a hole in the ground
I'm gonna jump from the 99th floor, hear it comin'I went to see a doctor, shot me full of junk
I'm on the 99th floor
Everybody said, Jump, jump, jump, jumpI went to see a doctor, shot me full of junk
I'm on the 99th floor
Everybody said, Jump
Everybody said, Jump, jump, jump, jump
I got a hole, got a hole in my heart
