

Now, This Is Fun

Depeche Mode

Here speaks the voice of reason
It's talking to me loud and clearly
And obviously, it's something to say Here comes another sentence
It is relentless, it tries my patience
But nevertheless, it's for our concern We can't see the benefits
So we'll ignore it or disobey it
And never say that this is fun This is real fun, this is real fun
This is real fun, this is fun
This is real fun, this is real fun
This is real fun, this is fun
