

Don't Stop

Jars Of Clay

You told them that I hung the moon
It was a lonely sliver hanging from the sky
I said I put it there for you
I didn't think that it would make you cry
Pa, para, pa, pa, pa, pa, pa
Don't stop, don't stop for me now
Pa, para, pa, pa, pa, pa, pa
Don't stop, don't stop for me now
My recurring dream of you
Starlight in your eyes and music everywhere
I am dancing close to you
There are no days or nights we've left behind
Pa, para, pa, pa, pa, pa, pa
Don't stop, don't stop for me now
Pa, para, pa, pa, pa, pa, pa
Don't stop, don't stop for me now
When you're running, yeah, you're running far away
And you don't know what to do with all my love
Don't stop for me now
And why is it so hard to say that you need me
The way that I need you?
There are no days, there are no nights
We've left them all behind
And you can run so far that I won't reach
There are no places I won't find you, yeah
Pa, para, pa, pa, pa, pa, pa
Don't stop, don't stop for me now
Pa, para, pa, pa, pa, pa, pa
Don't stop, don't stop for me now
You keep running, yeah, you're running far away
When all I want to do is be with you my love
You can run so far, run so far, my love
By the light of the moon I will get to you somehow
So don't stop for me now
