To Be Alone

Hozier

Never feel too good in crowds,
With folks around
When they're playing
The anthems of rape culture loud,
Crude and proud
Creatures baying
All I've ever done is hide
From our times
When you're near me
Honey, when you kill the lights
And kiss my eyes
I feel like a person for a moment of my lifeBut you don't know what hell you put me through
To have someone kiss the skin that crawls from you
To feel your weight in arms I'd never use
It's the god that heroin prays toIt feels good, girl, it feels good
It feels good, girl, it feels goodÂ
It feels good, girl, it feels goodÂ
Oh to be alone with youThere are questions I can't ask
Now at last
The worst is over
See the way you hold yourself
Reel against
Your body's borders
I know that you hate this place
Not a trace
Of me would argue
Honey, we should run away
Oh someday
Our baby and her momma
And the damaged love she makeBut I don't know what else that I would give
Than try to kiss the skin that crawls from you
Then feel your weight in arms I'd never use
It's the god that heroin prays toIt feels good, girl, it feels good
It feels good, girl, it feels goodÂ
It feels good, girl, it feels goodÂ
Oh to be alone with youIt feels good, girl, it feels good
It feels good, girl, it feels goodÂ
It feels good, girl, it feels goodÂ
Oh to be alone with you
