[VERSE 1:]

All I want for Christmas  
Is a package and my pistol,  
If it is a Black Santa  
Won't you free some of my Niggas.  
Everytime I made a sale,  
I made sure I used the scale,  
If I ever got some money,  
Imma give these niggas hell.  
Vanilla-Colored Leather,  
It looked perfect with the wood,  
Park the Cutlass at the office,  
Park my Lambo in the hood.

Gave the Lexus to the Goons,  
Gave the Truck to Baby Momma,  
Then took it from that Bitch  
Cause she was actin' like I ain't want her.  
Now she pissed off mad at me,  
But I don't give a damn.  
A bitch gon' do what bitches do,  
So she be goin' ham.

(Ha!)

You know I'm cocaine down from head to toe.  
I bought so much white shit,  
Think I'm 'bout to cop some more.

[VERSE 2:]

White my favorite color,  
You can ask my Big Brother,  
He said I'm goin' cocaine crazy,  
But I do it for the struggle.  
I do it for the Hustlas'  
And I do it for the Trappas'  
Like I do it for the Gangstas'  
But I don't do it for no Rappas'.  
I do it for the City,  
Ain't shit that you can tell me.  
Don't compare me to no Artist,  
You camparin' me to Elvis.

I got a .40 by my pelvis.  
And I want all the money  
So I guess I'm kinda selfish.
