

Gatekeeper

Cryonic Temple

[M: Cryonic Temple L: Merikoski / Johansson]Here I stand as a wall of stone

I'm the one who protects you

Metal armed leather clone

I am here to shock you

Keep away if your aim's not pure

There's no way you can fool me

Feel no mercy you better be sure

You must fight to get through meMy heart is steel [x2]All I want to do is standing at the Gate

Guard it with my life, I'll do it 'til I die

You will never know who I really am

The Guardian of light or Guardian of the darkHere I stand, I don't care why

I just do what they tell me

Have no fear I'm ready to die

You will see what I'm saying[Repeat bridge][Repeat chorus][Lead - Both / Ahonen / Collin / Ahonen / Collin /

Both / Ahonen][Repeat chorus][Outro melody - Ahonen]
